

EASTERN IOWA FELLOWSHIP OF CHRISTIAN ATHLETES

Investing in Lives and Making an Impact.

Dr. Billy Graham

"FCA is one of the most effective movements in this nation for the presentation of the Gospel to young people."

Luke Long

FCA Sports Camp participant, Cedar Valley Christian School student

"I really want to thank you for the opportunity that I had to attend the FCA camp this year. Not only was it great coaching on the court, but my huddle leader was also great inspiration to me. The music was awesome and I really felt the Holy Spirit was moving on Thursday night in the auditorium. I have told all of my friends who did not go this year about the great experience it was for me and they tell me they will be going with me next year! Thank you for an incredible week!!!"

Haley Neiderhiser

FCA student leader, Kennedy High School

"FCA is extremely important to me in my life. I believe that God definitely has used FCA to bring me closer to Him and this is His ultimate goal for me and everyone else who is involved in FCA. Whether it be through looking on the FCA website, the FCA bible verse of the day, reading the devotional studies from FCA, going to Leadership Camp or Sports Camp, or just attending our regular weekly Huddle meetings.....FCA brings me to a better and closer relationship with God than I have ever had before....."

Ray Reesland

FCA Power Camp coach

"Great camp! Thanks for the opportunity and I want to thank you and the committee for all the organization of the Power Camp. It is tough to manage every little detail perfectly for this size of an event. Wow! I have done a lot of different camps as an administrator and coach and I appreciate your excellent efforts for this type of venue. May the POWER always be with you! We are all winners for having been a part of something like this....."

Ed & Stephanie Timm

FCA Sports Camp coaches, Mount Vernon High School

"FCA Camp is the single most important thing we do for our family during the year. Our marriage, our children and we, as individuals, continue to grow closer to Christ through the relationships and guidance we find at FCA Camp. It is undoubtedly the highlight of our year and rejuvenates us spiritually as we prepare for a new school year and the students we can potentially impact for God's Glory."

Ken Kolek

FCA Leadership Board member

"I am truly excited to be part of the FCA Leadership Board and marvel at how the Lord is using this tremendous ministry throughout our 27-county area."

Zach Blichers

Youth & Worship Pastor, River of Life Church, Cedar Rapids

"Go FCA! I'm excited when I see God being glorified in our schools and FCA is playing a leading role in helping young people come to a faith in Christ....."

Von Kennedy

FCA Sports Camp coach

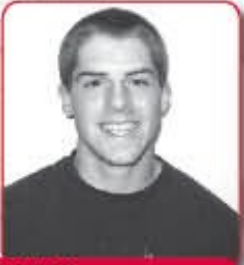

"FCA camp greatly touched my heart! I witnessed athletes' hearts changed and directed to the Lord throughout the week. The culminating event was Thursday evening when over half of the athletes poured their hearts out to the Lord either recommitting their life to Jesus Christ or accepting Him for the first time! It was also very special to pray with the athletes that night. Overall, it was a really awesome experience and one that I will never forget!"

Madison Sackett

FCA student leader, North Linn High School

"Thank you so much for the scholarship money and sending me to Leadership Camp. It was the most fun I've had in my entire life! I made a lot of friends and grew closer to God through this awesome experience! I truly loved every minute of being there. By the last day of Camp I was having so much fun I didn't want to leave! I am so excited to impact my school for Christ! I just want to thank (Eastern Iowa FCA) and let you know that none of this would be possible without you....."

Matt Kearney

FCA student leader, Linn-Mar High School

"Two years ago, God gave me the opportunity to help begin FCA at my school. I am very thrilled to see how God will use FCA to draw people to his heart and show students biblical answers to issues they are facing. I'm so thankful for it and feel incredibly blessed to use FCA for the Lord."

Don McGarvey

Missions Pastor, First Assembly of God Church, Cedar Rapids

"The Lord is using FCA in a mighty way in our community. We are delighted to be able to partner with organizations like FCA, to see the lives of many young people impacted for Christ in our schools throughout Eastern Iowa....."

Randy Ray

FCA Huddle coach, Washington Senior High School (Cedar Rapids)

"As we come face to face with so many issues that young people are dealing with, there is no question we need things like FCA in our schools. We are making an impact and FCA is being used to make a difference."

Jessica Purdy

Linn-Mar High School student

"When I went to FCA Camp, I expected to improve my skills in volleyball. What I didn't expect was the way my faith would be challenged. I learned that we are to live "sold out" for Christ everyday, in every area of my life. I discovered a whole new intimate relationship with my "Coach" and I will never be the same."

Tim Johnson

FCA Midwest Region Director

"God has instilled big dreams into our Eastern Iowa FCA staff (Carl and Sherisse Gonder) and Leadership Board. This is why the hearts of athletes and coaches and volunteers are being stirred and lives are being changed. FCA certainly has become "The Heart and Soul in Sports" throughout Eastern Iowa."
